Claiming Souls for the Kingdom!

The Greater Buelahland Fellowship was founded in 1988 by Eld. Berry J. Adkins. It began as a fellowship of churches and ministries who were progressive in their vision of ministry. It began with two churches and ministries. By the end of 1988, there were five churches and ministries. The fellowship has over 2,000 churches and ministries.

Each church and ministry is its own entity that has its own services, conferences, seminars, and sessions. The churches and ministries met as a whole group during the year to exchange ideas, thoughts, and visions. Each church and ministry pays dues to the Fellowship to cover the costs of the fellowship convocations and conventions.

The Greater Buelahland Fellowship operated on the principles of promoting Christian unity with all people. The Greater Buelahland Fellowship focuses on the "Whole Man" with the "Spirit Man" being the leader of the "Natural Man."
